## MAGIC AND COMEDY

**Magic by Dante:** a world class comedian/magician/illusionist, Dante can present his show from walk around, to a parlor show, to a large room with lots of props. Not the standard magician, his tricks are unique and very interesting. \$1000+

**Me & Blue**-yes, incorrect wording, but utterly entertaining. Jerry revived the old style "one man band", playing guitar, bass, harmonica and drums-incredibly at the same time, and interjects side splitting humor and gags. Clean family fun, but strong enough for an all adult group, your audience will thank you for booking this special act. \$1000+

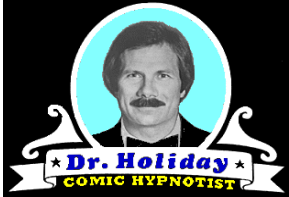

Hilarious Harmony!!! For over 20 yrs, **Three on a String** has been a favorite of the after dinner show circuit. Bluegrass is only part of what they can play...wait 'til they break into Glenn Miller's "In the Mood". Side splitting down home humor and obvious professionalism sets this group apart. \$3000+ Very, very good.

## MAGIC AND COMEDY 2

We've been booking this crazy hypnotist for 15 years, and we still wet our pants laughing at his shows. When you want something different but absolutely crazy fun-this is the act to schedule. Your guests will never forget the show. Need a little over an hour to fit it in. About \$2500 (not for conservative crowds)

Zany comedy right before your eyes, **The Fettucini Brothers** are a perfect after dinner show. Zingy one liners, sight gags and comedy juggling coupled with current event humor puts this group on everyone's favorite list. They've performed Nationwide for the biggest corporations in the world. \$3000 +

**Jim Gossett** a comedy impressionist who updates his show with current news. Imagine the President, Vice President, David Letterman, Tom Brokaw, Johnny Carson, George Bush, Ted Koppell, Andy Rooney, Jesse Jackson, Jay Leno all performing for your audience. A real treat! \$3000+

**Bill Clary**-one of the most requested entertainers in the nation. As magician, emcee and comedian, he's performed over 21,000 shows in 17 countries. He'll astonish audiences with stage illusions and keeps them in stitches with his comedy and music. Bill has performed 6 times at the White House for 4 presidents, appeared in movies, played 100+ times in Las Vegas and on 172 college campuses. They even love him in China. In spite of his obvious success, you'll appreciate his humility, his genuine love for people and his knack of making troubles "disappear". Treat your audience to the best. \$3500+
