COOL RAYZ

Every once in a while, one band stands out from the pack, here it is: **Cool Rayz** has the essential elements of a top band-musical excellence and show experience. Four very talented guys, and a hot female vocalist, playing over a kickin' sound system-make for a fabulous presentation with tight harmonies backed by a great dance beat. Total variety, with lots of Motown, 70's 80's, rock and Jimmy Buffett tunes, this group can satisfy any audience- \$2500-\$3250 .

Added Nov. 2004:additional female vocalist/percussionist for even more flexibility and dynamics. Call today for availability
