The Grand Entertainment Agency  
Presents:

**CENTRE  
STAGE**  
★  
"THE BAND"

A truly unique band– **Centre Stage** stands out with its versatility and impeccable presentation. Several members started playing together over ten years ago, and they have a tight, together sound that few bands ever reach. From oldies to Motown, country to top 40 and dance, Frank Sinatra to Leonard Skynard...you'll want to be on the dance floor all night. All four guys sing and have the harmonies down pat. The female vocalist is top class and puts the "frosting on the cake". In addition, you'll enjoy combinations of bass, drums, keyboards, 2 guitars, trumpet, saxophone, fiddle and a lot of showmanship, audience participation and interaction. You owe it to yourself and to your guests to book Centre Stage for your event. Casual or elegant, they play and dress to the occasion, and have been regularly featured at the Mississippi Gulf Coast casinos and coast Mardi Gras parties.  
Perfect for weddings and company parties too.
