This form is provided to help make your ceremonial music as trouble free as possible. It is *optional*, and you may simply let the Musician(s) select the appropriate songs for your event. The act will try to play as many of your selections as possible, time permitting. Every attempt will be made to accommodate your selections, but it is not always possible to play every request. You may send/bring a CD to the act to help them learn a new song or to be played at the event. Thank you.

Bride's name _____ Event date _____

Contact phones _____ email _____
