This reception planning form is provided to help make your function as successful as possible. It is optional, and you may simply let the Entertainer(s) select the appropriate songs for your event. The act will try to play as many of your selections as possible, time permitting. Every attempt will be made to play all your selections, but it is not always possible to accommodate every request. Most acts will rehearse and learn 2 new songs at no extra charge, and you may send/bring a CD to be played at the event. Most acts will allow 3-5 "do not play" songs, but an extensive "do not play" list will affect the flow of the show, and disrupt the smooth presentation that you liked about the act. Discuss this with the act leader or agent at first opportunity.
