

To All Members of The Grand Band,  
Each and every one of you made our wedding day perfect and complete. You are a wonderfully talented group, and I was thrilled that you played all the songs and genre that I had envisioned for that day. The music really set the tone and mood perfectly. We all had a great time dancing the day away to the music you provided. Our favorite pictures are the ones from our first dance. It was all possible thanks to you. We truly appreciate your blessing us with your many gifts.  
Love, Kelley Beville Ogburn May 2007

Glenn: Thanks again for the wonderful entertainment for our first Valentine's dance. You all did a great job and everyone is still talking about the party! It was a special evening thanks to you and the group. Hope to see you soon. Christie Crenshaw Caribe Resort-Orange Beach Feb 2008

Dear Glenn: Thanks so much for a FABULOUS job at my wedding reception. We've received nothing but compliments and inquiries about the band. Thanks for making the night such a hit! Leah (McKinney) Holsombake Jan 2007

Glenn, Your band made our celebration perfect and exceeded my expectations by far. The first two hours was perfect for the older crowd and then your selections after that made us all party. Thank you so much for bringing Eden with you. What a voice and she's almost as much fun as you. Everyone has commented on how great the band was! Several have asked for your name and number. I think you have a wedding gig coming your way. You can be sure that I will recommend you to anyone needing a versatile and charming band.  
Thanks again. Marie Kinsaul Sept 2007

Dear Glenn and Robin:

**Glenn!**  
What can I say? It was fabulous! Jennifer had the time of her life! Everyone was amazed at your female vocalist...what a beautiful voice. Thank you for everything. Chapman said you were a great guy to work with too. You have already been recommended for several functions. I've told them all you were worth every penny...then some! Many Thanks.  
Tony & Terri Keller

PS. When all our vendors found out who the band was, they assured me it would be a great party.  
PSS. Virginia at the Bragg Mitchell also said The Grand Band "always livened things up". You were a vendor she eagerly recommended!

Dear Glenn,  
The Grand Band was fabulous! Everyone at the King's Supper enjoyed your music. I was dancing until they made me leave. Thanks also for the Italian songs which I think gave a special touch to the evening. Look forward to seeing and hearing you again soon.

Dear Glenn and Robin,  
Our guests are still talking about the wonderful wedding and the fantastic band at the reception. We did receive a mild complaint from the rental company: too many footprints and heel marks on the dance floor! Seriously, thank you for the music. Your band was excellent and you were a pleasure to do business with. We are looking forward to seeing you again at Peninsula.  
Sincerely,  
Marianne Hawkins June 2006
